FYI – Standard colors for the SIA.09 SnowSports Trade Show: Booth Carpet – Silver Gray; Booth Drape – Silver Gray

BOOTH CARPET

SIA provides standard booth carpet in an amount equal to the square footage of the Exhibitor's booth in the official color (listed above), but only if "YES" is checked below. This is the only carpet color that SIA provides free of charge.

Exhibitors wishing to order a different color may do so at their own expense. Orders may be placed with GES online at gesexpo.com.

YES, I want the free booth carpet. NO, I do not require the free carpet.

PERIMETER BOOTH DRAPE

SIA provides a standard 8'-high back wall and 3'-high side rail draping in an amount equal to the linear measurement of your booth's perimeter in the official color (listed above), but only if "YES" is checked below. Please review the Show Rules and Regulations on unfinished back walls before deciding against the draping. Exhibitors wishing to order a different color or configuration may do so at their own expense.

Provide a diagram of your preferred drape set up, showing which is the back wall (8'H drape) and which are side walls (3'H drape). **Note:** 8'H side wall draping may be obtained by placing an order with GES.

YES, I want the free booth drape. NO, I do not require the free booth drape

BOOTH SIGN

The standard booth sign shows your official membership name and booth number only, is 6"H x 24"L with black letters on a white background and fasteners designed for securing to draping.

YES, I want the free booth sign. NO, I do not require the free booth sign.

WASTEBASKETS - available to all Exhibitors prior to the Show opening onsite at the GES Service Desk.

NOTE: Electrical service is not provided with your booth. If you require these services, refer to the necessary forms in the *Exhibitor Service Manual*.
